Ms. Bonita Kato Scholar of the Year

Bonita Kato, BHS' first female Scholar of the Year certainly earned this title through her many achievements and accomplishments. Ms. Kato will be attending UCLA in the fall and plans to major in Fine Arts and we wish her much luck and happiness.

Students From Other Countries

Aya, our exchange student from Los Moches, Mexico, came to the states to learn to speak english and become acquainted with our Western culture. Home-sick at first, she soon made many friends and developed a taste for spaghetti. While in Bellflower she studied painting and enjoyed swimming and bicycling. When asked the difference between her life here and back in Mexico she replied "School is pretty much the same, except we only have P.E. once a week in Los Moches, and we go to school on Saturdays also."

Stefan Klaren, our exchange student from Sweden, transferred here from Rudbeckianska Gymnasium in the city of Vasteras. According to Stefan, American everyday life is pretty much the same as in Sweden except for school. In contrast with our full schedule of 5 or 6 classes, they attend only one class a day and for only three years. Stefan is studying dentistry.

Arriving mid-year, Ana L. Garcia de Oaredes from Panama and Patricia Stange Friaa from Brazil joined us to experience a semester of American culture and education. The new students like America and their only complaint was "You talk to fast!"

ACTIVITIES

Homecoming Week

Homecoming '73 was filled with many new and also traditional activities. The week started off with a pudding eating contest and an exciting donkey basketball game. The traditional tug-o-war contest between classes ended sooner than expected, when the rope broke at the first tug! A pizza hoot, car smash and pie eating contest were other activities enjoyed by the Buccaneers. The climax of the week came during half-time on that wet, muddy Saturday night when Carol Gunderson was crowned Homecoming Queen of 1973.

Harlem Clowns

On March 19, BHS once again hosted the Harlem Clowns Basketball Team. The Clowns took on members of Key Club, Varsity girls and boys basketball teams and members of the faculty. The Harlem Clowns displayed fancy plays, amazing ball control and came out on top 58-36. The Poly-Sci club provided the entertaining evening.

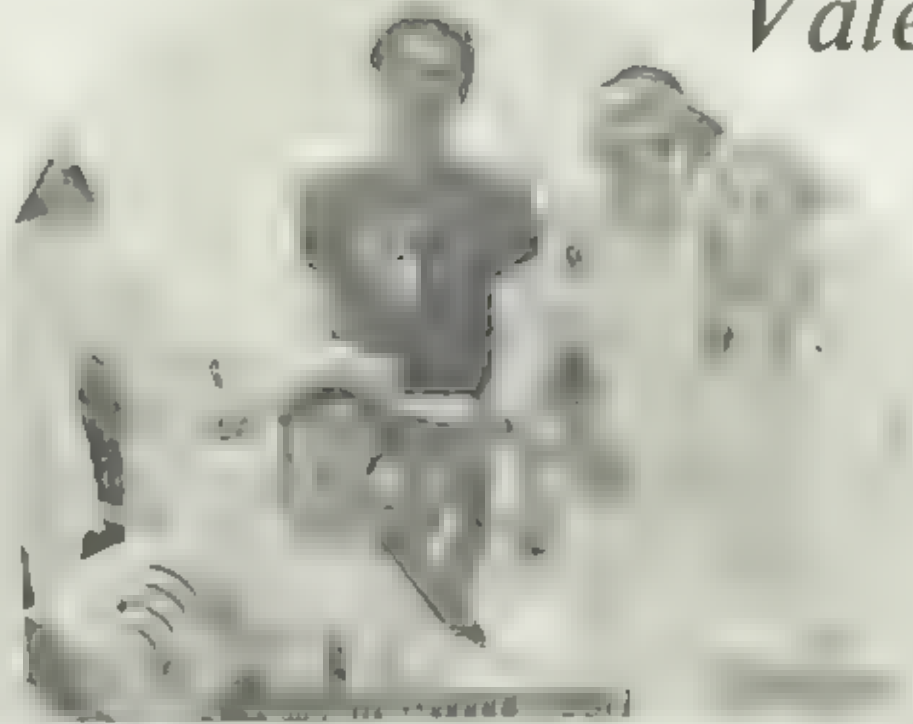

SLEIGHBELL SERENADE

This year's Christmas Dance was held at the beautiful Grand Hotel in Anaheim. The couples dancing were not serenaded by sleighbells, but by the sounds of "Brotherhood". The setting and music made for a wonderful evening, which seemed to come to an end too quickly, but left happy memories in the minds of many.

Singing Valentines

As bars
of "Chuchi
Face" echoed
through the halls
of BHS, Singing Val-
entines once again
brought heart trembles
and pink faces to those
students receiving the mes-
sages of love. The choir was
under the direction of Mr. Tom
Dustman, may he rest in peace.

WSF Week

Winter Sports Festival Week was filled with many exciting activities. A pogo stick jumping contest, water balloon dodge, tricycle race and a pie throw were just a few of the entertaining activities enjoyed by the princesses and student body. The seven princesses were formally introduced in an assembly featuring a hula hoop contest between classes. The climax of the week suitably came during the half-time of a very unusual basketball game with Norwalk when Suzanne Fernish was crowned the Winter sports Festival Queen of 1974

Lunchtime at B.H.S.

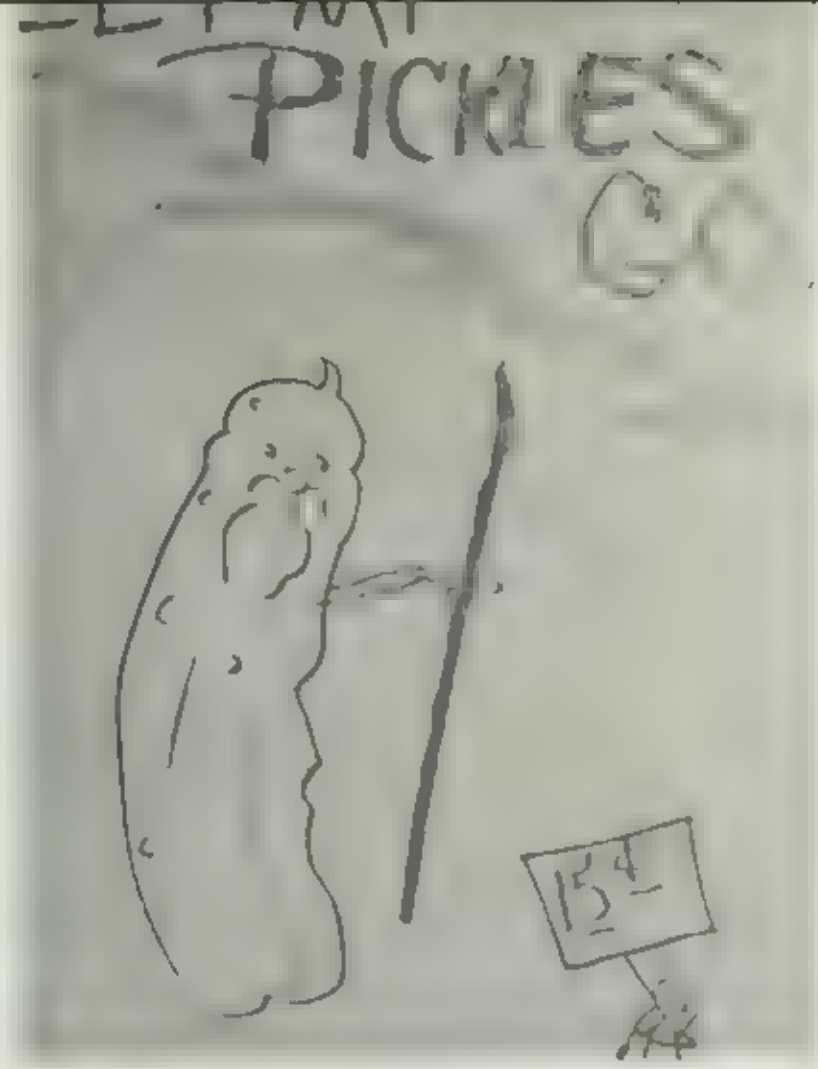

With the addition of the stereo system, lunch-time became the Buccaneers favorite time of the day. Instead of cars crowding the parking lot to leave at lunch, students were crowding the grassy areas to try and find a spot to "picnic". Frisbee and football throwing along with arm wrestling were a few of the activities enjoyed by the students during the noon hour.

The week of March 18 was Bellflower High's First pickle week. Many different things came from it such as Burt Pickle. The week also saw happy pickle lovers and frustrated pickle sellers.

'BURT PICKLE'

Sadie Hawkins

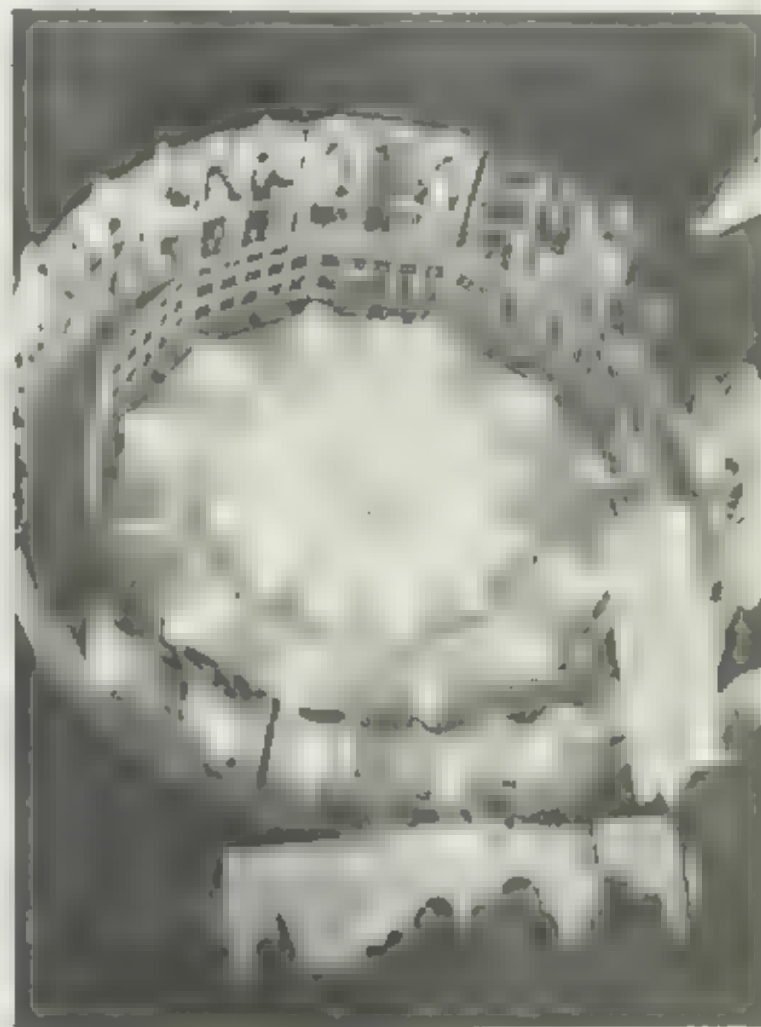

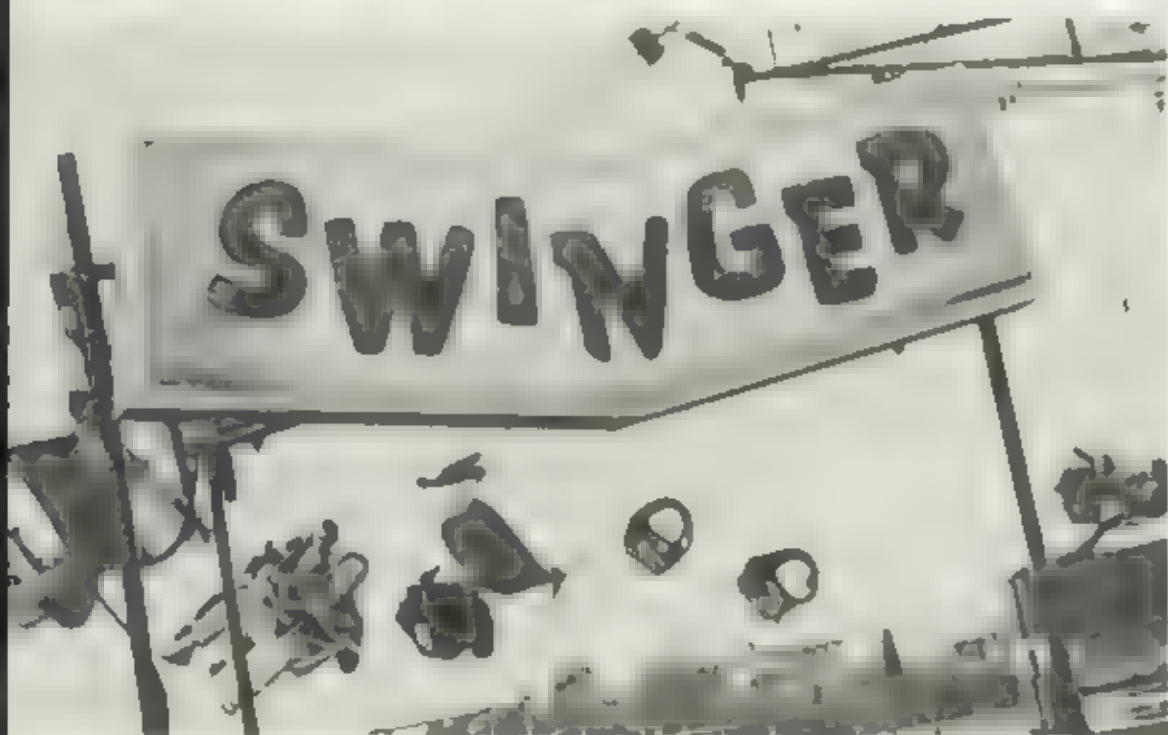

Sadie Hawkins this year brought back the good old days with an old fashioned picnic, three legged races, wheel barrel races and a peanut race. The evening was celebrated with a real country shindig while everyone dressed in western garb.

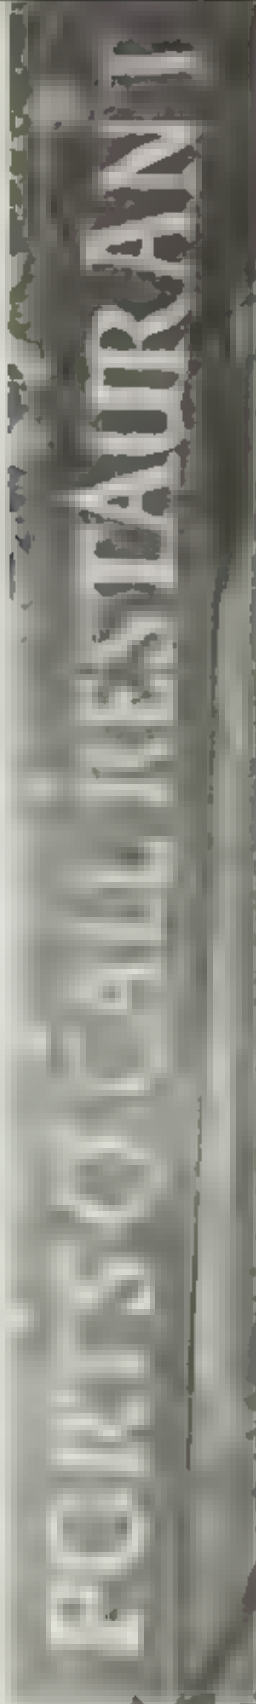

B.H.S. Carnival

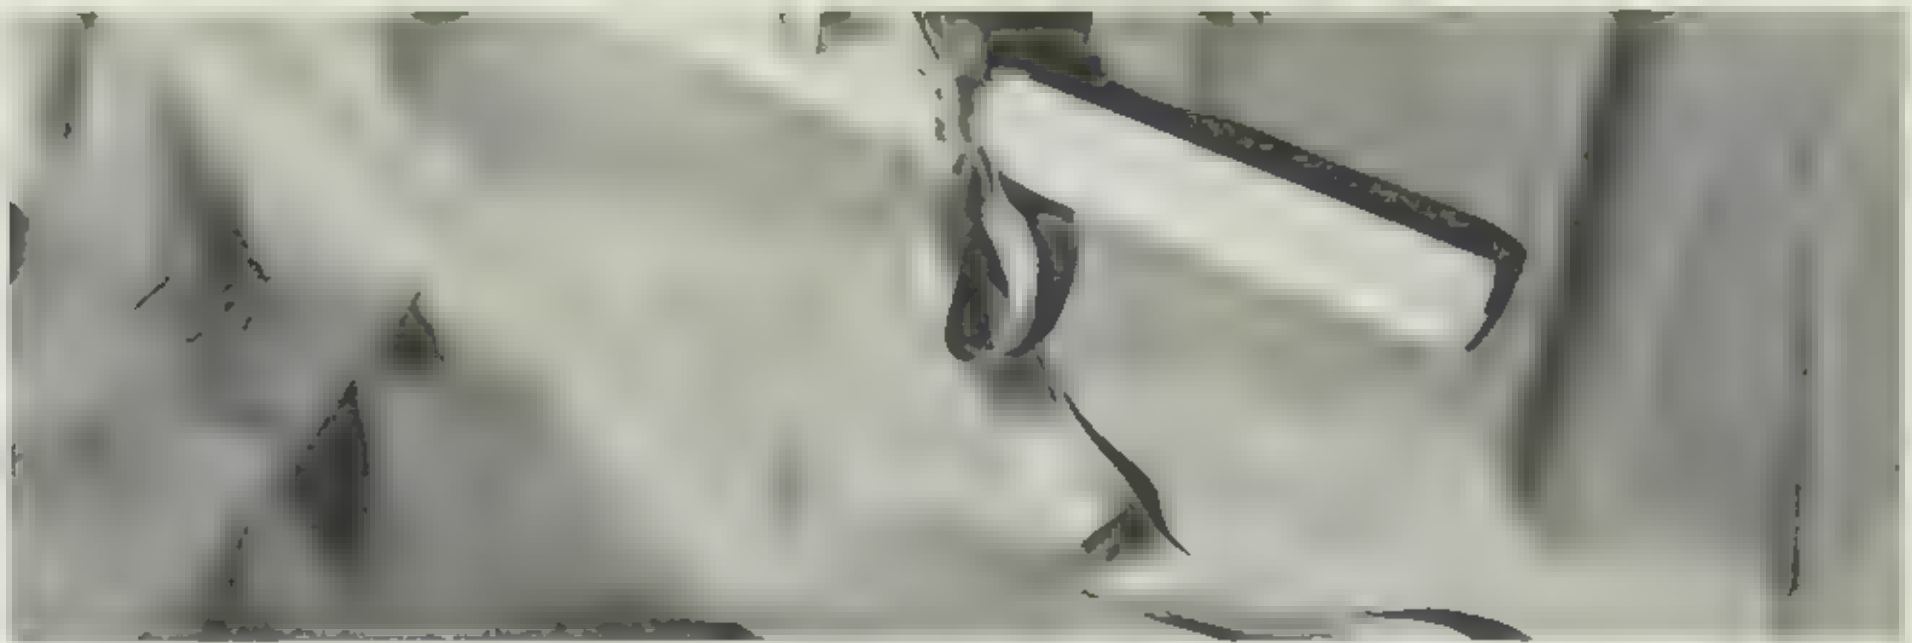

Once again Stark & Sons brought BHS a wet and wild carnival. Shrieks of excitement, moans of "oh I won another squirt gun", and cries to buy just one more red hot burrito could be heard over the noisy clamor of rides. Club, student and faculty participation all added to the success of the March week-end.

Prom

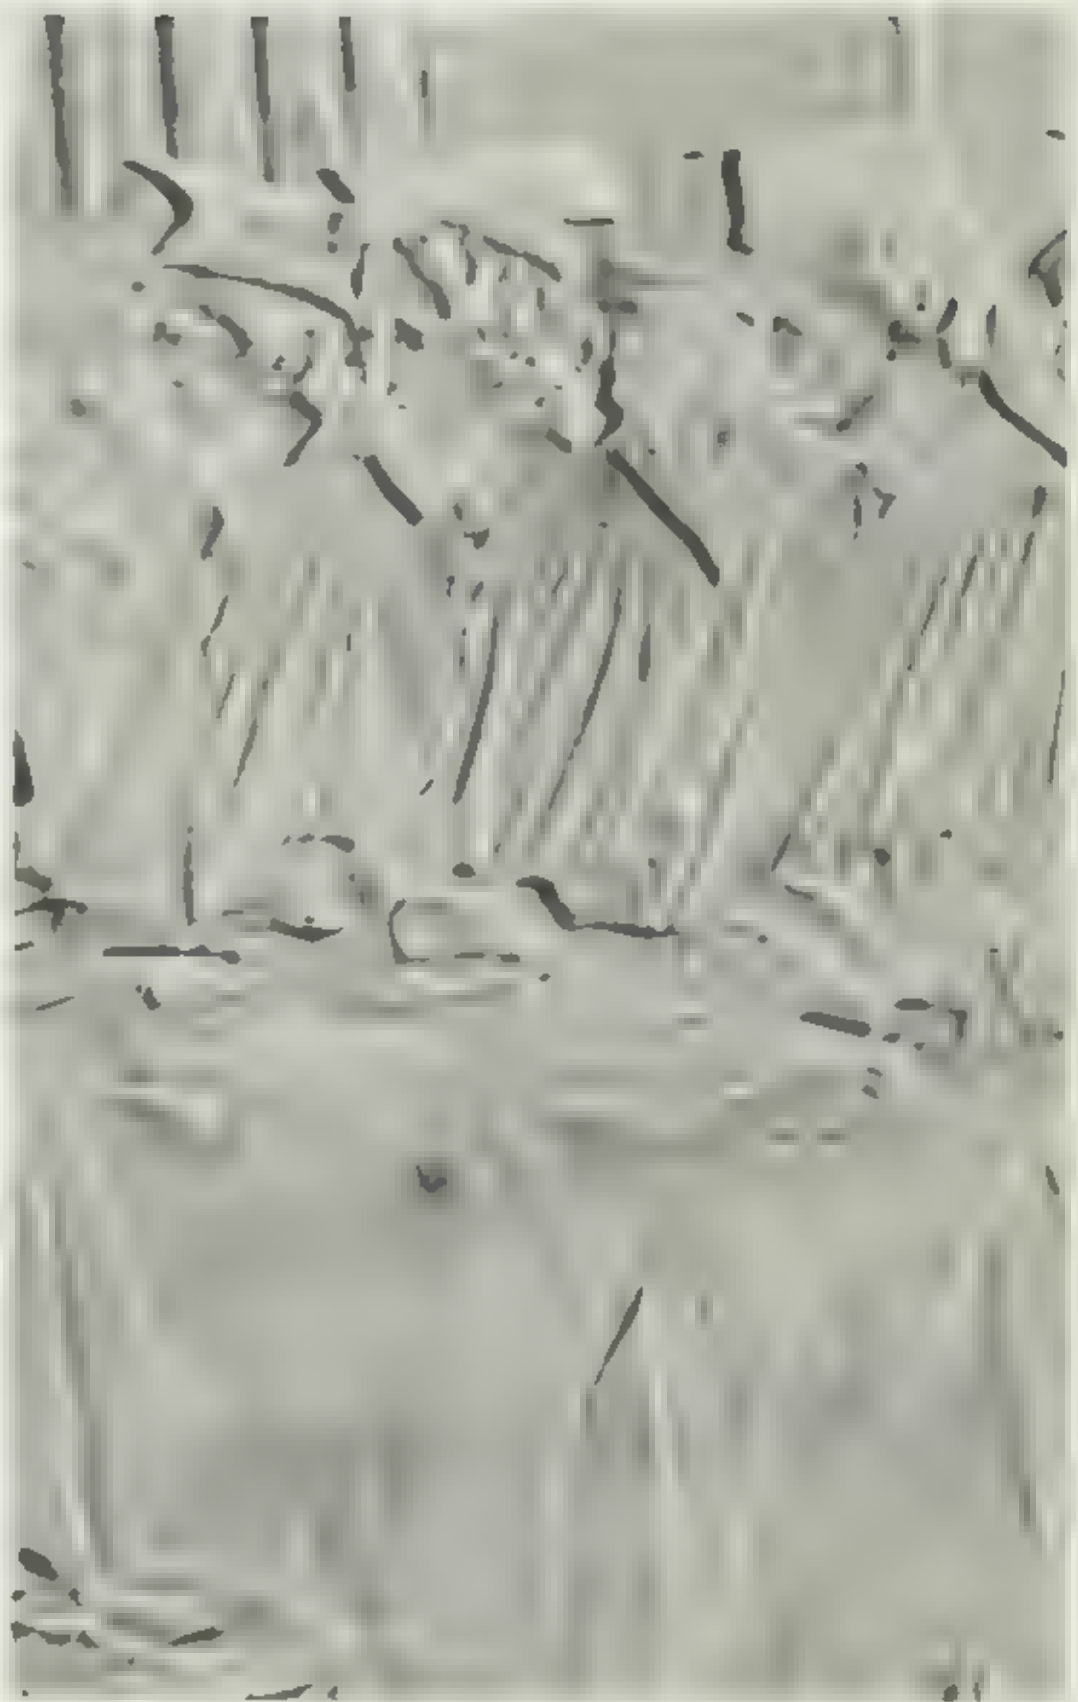

Romantic Ports-o-Call in San Pedro was the setting for this year's Prom. Couples attending were able to stroll among the many shops in Ports-o-Call Village. The evening, which seemed to end too soon, was filled with merriment and laughter, and was an evening which will be long remembered.

Graduation

Graduation brings a time of looking into our future, and a time of looking into our past. We look ahead with new expectations and new hopes for what is yet to come. We look behind us with sad smiles, on four years that seemed to never end, but then suddenly passed so quickly. As we leave, we think of what we have gained, and the many treasured memories of high school that we'll carry with us for the rest of our lives.

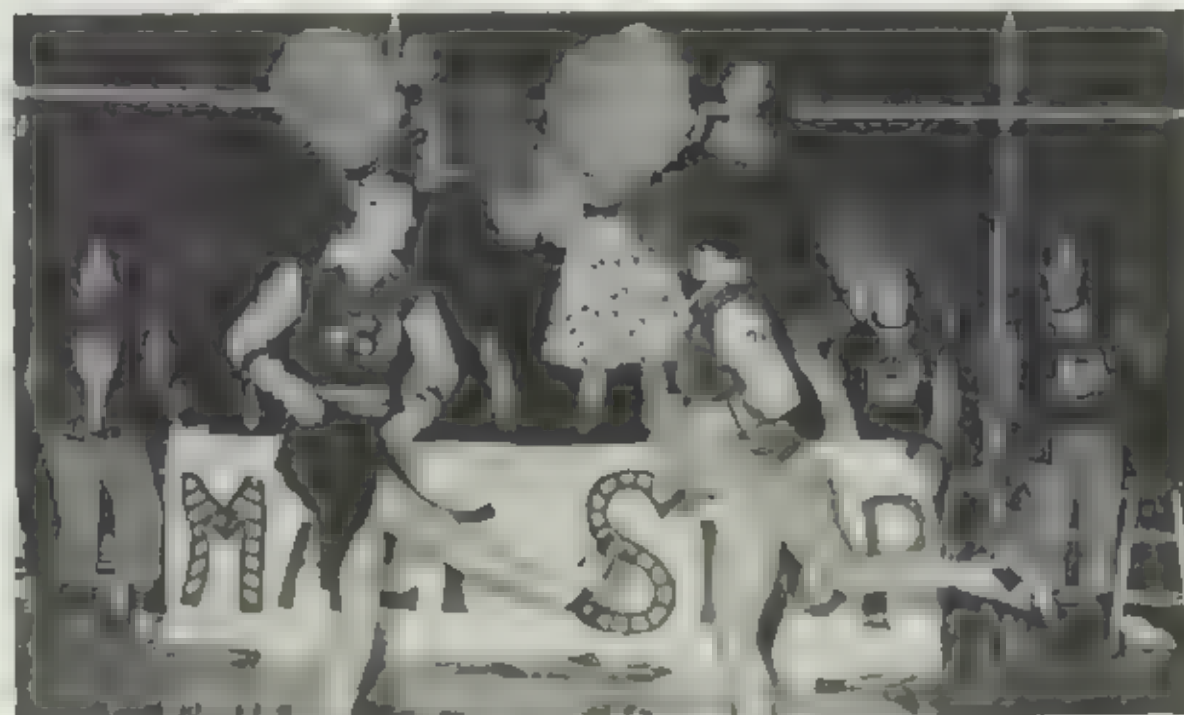

PEP SQUAD

1973-1974

Being on Pep Squad means a lot of sacrifice and work, which is exactly what the 73-74 squad represented. They thrilled the school with delightful skits, stunts and cheers. Even when the Buc teams were down, these girls kept the rest of the schools' spirit soaring. More students came to the pep rallies and assemblies than there had ever been in any other year. Because of the pride and spirit they showed for our school all year long, this 73-74 Pep Squad will be remembered for many years to come.

SENIORS

Senior Class Officers

This year senior officers are: Pres. Karen Ferre; V. Pres. Jim Martinez; Sec. Cathy Barnhart; Treas. Shelly Johnson; 1st Lt. Phil Rodriguez; 2nd Lt. Jackie Weinberg; ICC Rep Mary Morrison; House Rep Mary Kukiela; Sgt. at Arms Buzz Fabian.

"Together" would be the best word to describe the class of 74 as they combined their efforts to produce such memorable experiences as the Christmas Dance, Senior Ditch Day, Junior Senior Prom, candy cane and valentine sucker sales and much more. Only through such team spirit does a class win so many competition yells, and Homecoming float awards. Their pride and dedication will be remembered always at BHS.

FACULTY

*Principal
George
Prince*

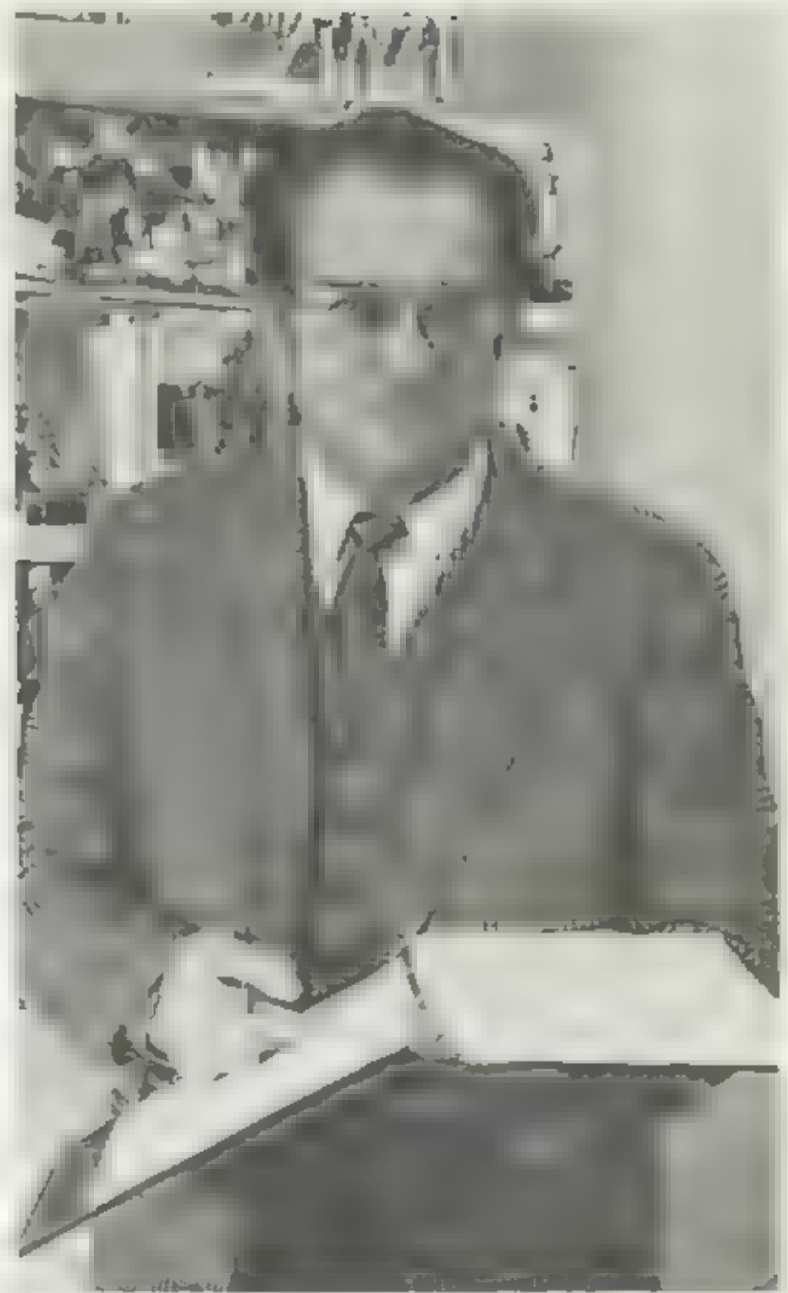

George Prince, not only a successful principal but an active participant of the Bellflower community, returned for another year of dedicated leadership at BHS. When summing up his impression of our students, Mr. Prince remarked that today's students are more outgoing, friendly, and are open to new ideas and challenges. Mr. Prince enjoys being a principal and has respect for such an honor.

Vice Principals

ROGERS LINDLEY - Mr. Lindley's favorite pastimes when he was in High School were, Sports, and competing in Speech Activities. Now he enjoys working with the students of Bellflower High. His Words of Wisdom to the Graduating Class are 'Degrees of success are measured by each individual image.'

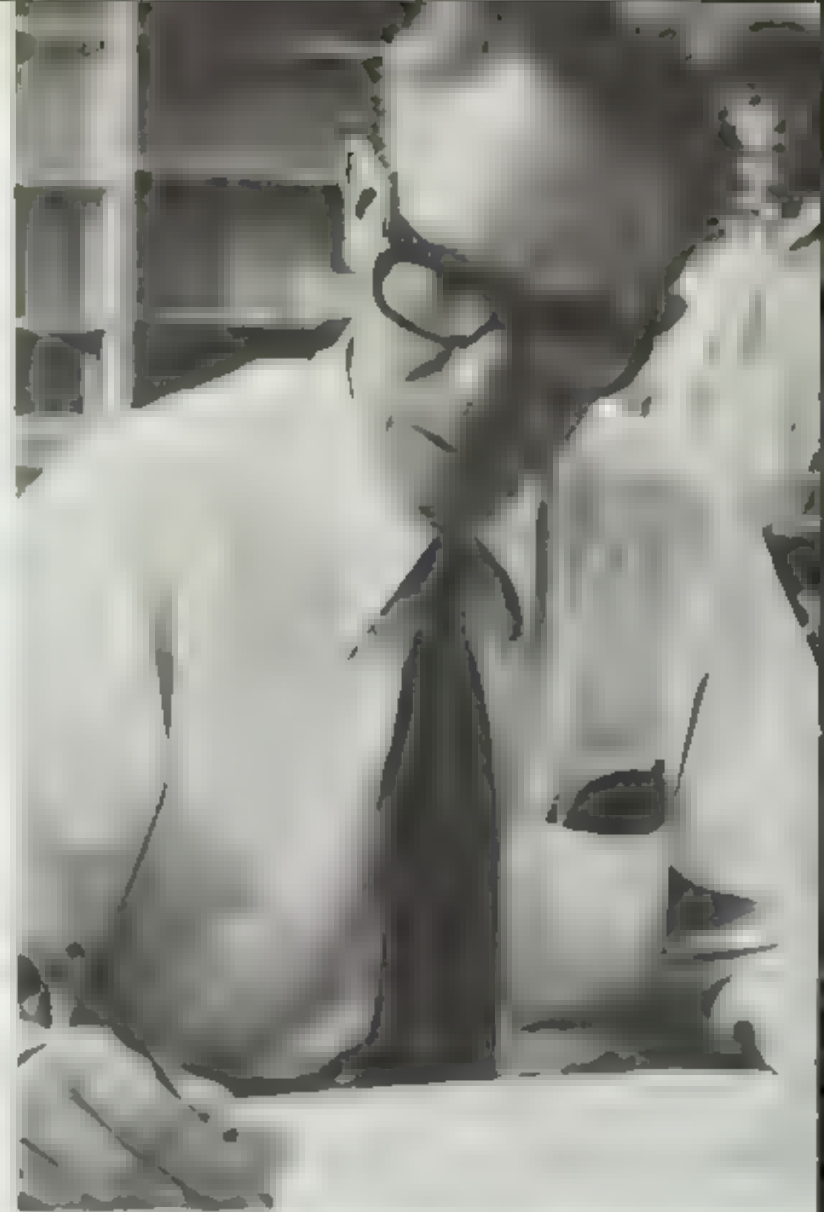

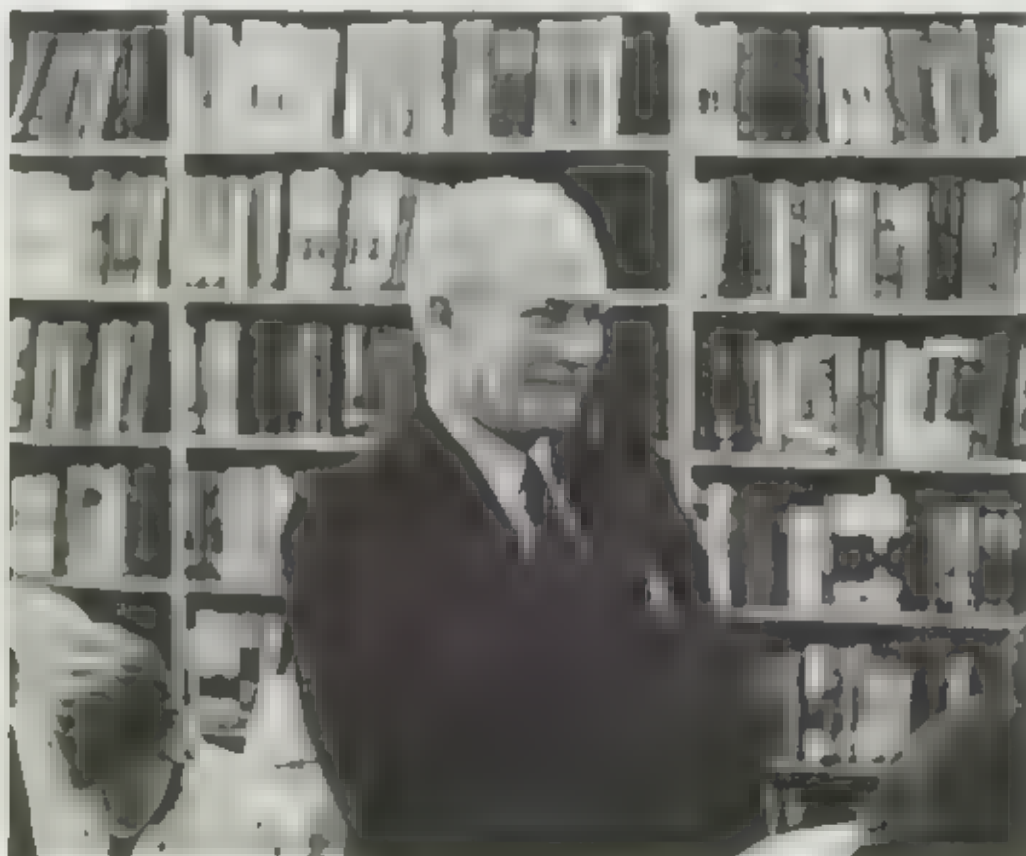

JOHN KILLEEN - Mr. Killeen's experience here at B. H. S. has taught him the most tangible and meaningful quality is the of integrity. All of his time is spent with working with the Students of Bellflower High, very productively and enjoyable of course. It is the most rewarding experience he knows.

MERWYN SMITH - "Learning is a life long process, you have just completed the first step", in congratulating the Class of "74" In his past Mr. Smith was student body president of his High School, and involved with sports, such as Basketball and Football. Now he likes such hobbies as golf, tennis, coin collecting and camping.

Counselors

MR. BRIAN SIENKNECHT - Counselor for the Junior Class. A man who enjoys working with the Students of Bellflower High. He feels that counselors are necessary, students need someone to talk to. His Words of Wisdom to the Graduating Class are "Be thoughtful and kind to your fellow man."

MR. ART EDWARDS - Freshman counselor would rather work with the Students of Bellflower than with his neighbors. And to the Graduating Class his Words of Wisdom are "Don't rush into things, there's plenty of time."

DR. TRUDY CLARK - Enjoys working with the "Class of 76" and being a member of the class is something special to her. To the Graduating Class her Words of Wisdom are "Set meaningful goals. Make every effort to contain them. And help contribute to society."

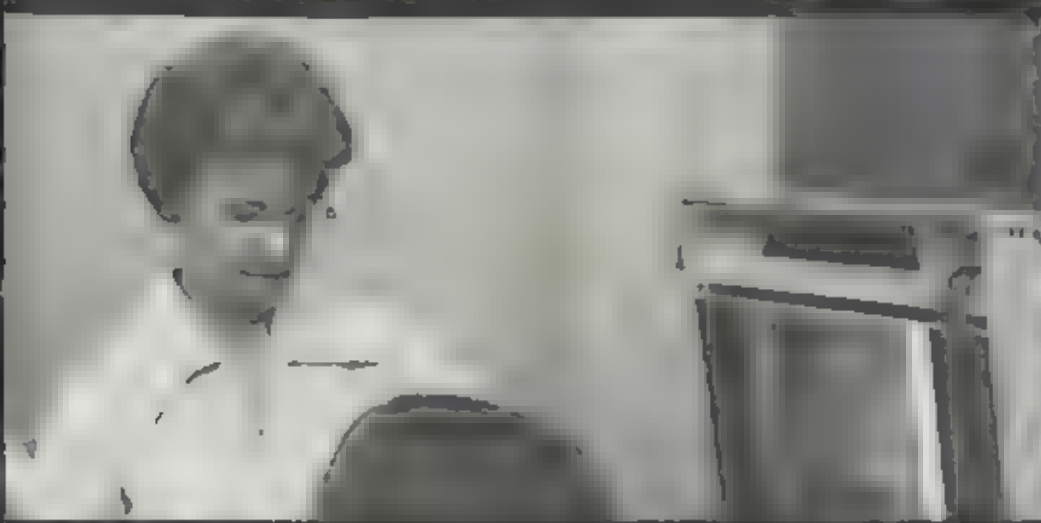

MR. MEL RIGGINS - The Senior Counselor has a great relationship with the students, and enjoys working with them. His Words of Wisdom to the Graduating Class are "I should desire that the students of the Class of 74 use their potential, positively for themselves and others."

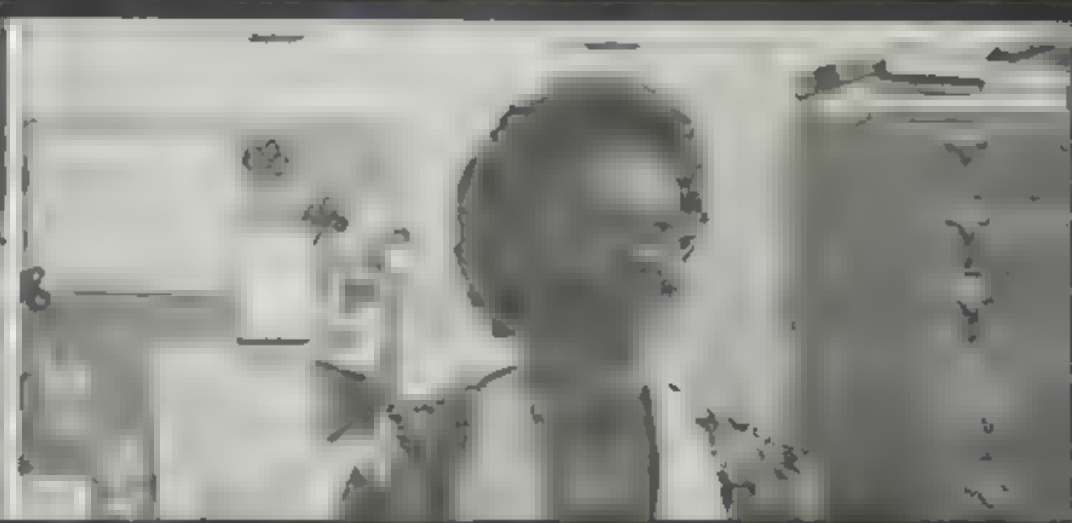

Library

This was the year for Media in the Library. In the new Media Center students viewed and heard sound film-strips, slides, and records. Through time, the list and variety of these subjects grew rapidly. Finally, our new equipment for student productions of slides and tapes proved to be a popular way to make reports.

Over the years the Bellflower High School Speech and Debate team have accumulated many awards competing for league, district and state championships just as our athletic teams do. They now hold 13 state championships.

The speakers and debators, taught to present their ideas in a logical, convincing order, are coached by Ron Albertsen and they all belong to the National Forensic League.

A young and inexperienced football team represented the Bucs in 1973. The team matured too late to be a factor in the tough San Gabriel Valley League race. Although everyone was disappointed in the Bucs' win-loss record, everyone was proud of how the Bucs "KEPT COMING." By the end of the season, the Bucs were ready to play anyone. The seniors were understandably disappointed with their season, but they can take pride in the fact that they started a new dynasty for the Bucs because THE BUCS WILL BE BACK.

Wrestling

Coach Arnie Koch, Jack Doyle, Mike Miller, Scott Betherum, Joe Zenzola, Aaron Moore, Pat Devine, Coach Rick Stratton, Lorin Jenkins, Terry Dofner, Dan Nadalsky.

Expected to have a building year, the BHS Varsity Wrestlers surprised the League with an effort that almost gave them the League Title. Only losses in their final two dual matches to Paramount and Norwalk denied them their crown. The unexpected success was in part due to the great showing of the squad's underclassmen who held 9 of the 13 Varsity positions. Great seasonal performances were turned in by Richard Okimoto who placed 4th in CIF prelims and Pat Devine who finished 5th in CIF and went on to wrestle in the state finals in Oakland. Look for great things from the Buc wrestlers as they will be real contenders for next years' SCVL Title.

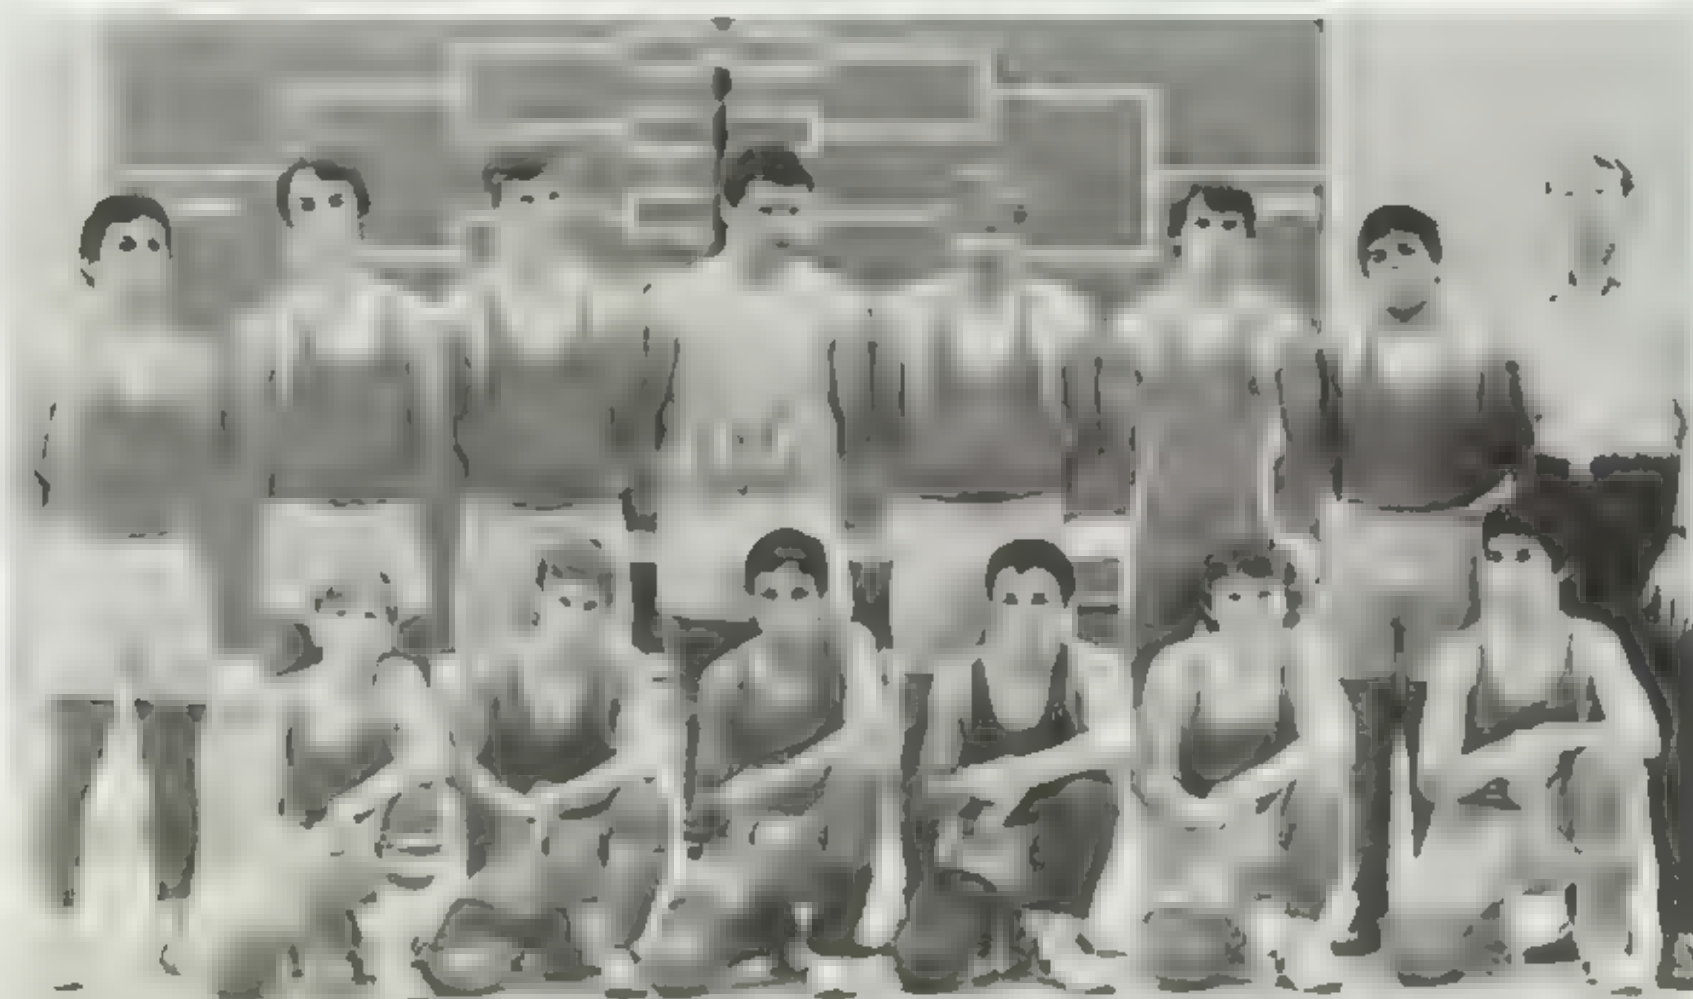

"They came with no experience, they came with much desire." If the class of '77 keeps at it, Coach Koch's wrestling team 3 years from now will destroy the league.

Although the team win/loss record was not as good as we hoped it might be, we feel that the wrestlers who came out this year experienced great gains in their personal knowledge about wrestling and realized different levels of physical growth.

With continued participation by these dedicated young men, the Bellflower wrestling program will surely benefit and be greatly improved in future years.

With 11 straight years of SGVI championship this years team is ready for number 12. Even though this is a young team with only 2 seniors they are very confident of victory. With number one singles Paul Di Giulio and number one doubles Rocky Favorite and Mike Lamb and the great tennis ability of Dale and Daryl Gloudeman and such sophomores as Perry Di Gullio and Jay Hardgraves it looks like 12 in a row.

Perry Degiulo, Chris Gruber, John Garret, Mike Lamb, Rocky Pardo, John Connor, Dale Gloudeman, John Chapman, ?, Richard Ballou, Daryl Gloudeman, Tim Coleman, Raymond Hamada, Curtis McDonald.

The Tennis Club has been very active this year. They have sponsored and ran the third annual Mixed Doubles Tournament over a two week period and supported the Girl's and Boy's Tennis teams.

This year they also sponsored and ran the annual "Tennis-A-Thon" for fund raising where each team played 100 games of tennis. The money was used to maintain the tennis courts and purchase new equipment. This year a new Ball Boy was purchased to serve as a pitching machine. They have also had two parties and hope to have the annual swimming party this spring.

G.A.A. BOWLING

Every year the G.A.A. Bowlers get together during the second quarter at Clark Center. This year we had 16 teams with Cindy Nathan, Becky Gunwall and Rose Mary Timm, winding up in 1st place. Because the interest was so great, there wasn't enough time in the quarter to get a chance to play all the teams. The girls also liked it so much that they wanted to play another quarter, so for the first time, bowling has had 2 quarters instead of 1. This time there were also 16 teams. The first place position belongs to Kathy Smith, Tina Castillo and Carol Spears. Special thanks to Cindy Campeau for sponsoring this event.

Archery

With the thrashing of Bobby Riggs at the hands of Billie Jean King, the way was opened for women in other sports. This year's archery team competed against Norwalk and Excelsior -- in schools whose teams were either coed or all male. The boy-girl competition was surprisingly close, because as one of the archers remarked, "In archery, brains count more than brawn." The varsity starters were: K. Caldwell, H. Mahood, N. Carroll, P. Kick, A. Hergonson, and S. Van Horsen.

I. Hermes, F. Boggs, B. Dobias, L. Mossinger, H. Mahood, S. Van Horsen, P. Kick, T. Davis, D. Sandy, G. Grinder, A. Hergonson, J. MacLellen, Ms. Campeau, K. Caldwell, N. Carroll, C. Palmer, J. Lewis, and C. Spears.

Badminton

The Bellflower High G.A.A. Badminton teams potential strength is Debbie Kerr, Diane Calmer, Rita Kuiken, Susanne Van Horsen, Alice Hergonson and Donna Hamada.

These Girls are the combined teams Of the Varsity and J. V. Softball. Miss Campeau is their instructor. This Year they Played the district schools in our area.

Intramural Sports

Besides baseball and birds on the wing, March once again brought Intra Mural Volleyball. Spikes and slams filled the air each Wednesday at extended lunch when twenty teams battled to the bloody finals.

We opened our season at the Long Beach State Invitational and placed 39, 40, 41, 42, and 47 in a field of 47. We followed that up with a resounding loss to Mayfair. We beat LaMirada, suffered a heart-breaking loss to Downey and got by Excelsior. It was the Lynwood meet that completed the metamorphosis from a motley group to a team. Our narrow victory over the Knights showed us just how good we might be.

Bob M., D. Wielenga, P. Wielenga, S. Moran, J. Villegas, C. Tompson, D. Foreman, J. Pichner, S. Shultz, J. Valadao, H. Smith, W. Guthrie, S. Martin, J. Parra, B. Dematto, D. Barretts, S. Turner, R. Larman. Not Pictured-R. Deboer, J. Kuch

After defeating Paramount we came to the showdown with Warren with first place at stake. Our 26-29 victory was certainly the highlight of our season. The CIF semifinals saw us get blown out quickly. But they also have us a goal for which to work next season, a goal which will be very realistic if we continue to show the same attitude we displayed this season. This year our most valuable runner was Rick Larman.

Fullerton

Dance

Festival

Each year Cal State Fullerton hosts a few chosen high schools in this area, and presents a Modern Dance Festival to the community. The directors demand a high standard of dance and this year, as last year, Bellflower was represented by quality, conscientious dancers. The dancers from Bellflower were Donna Cotter, Kim Disharoon, Patti Doktor, Karen Ferre, Luann Furusho, Terry Garrett, Leah Julius, Coco Kilfoil, Bonita Kato, Erica Lansdown, Patty Quinn, Diane Snead.

BHS Modern Dance Show

Student directors Bonita Kato and Luann Furusho.

"I Am" was the thought-provoking theme of the 1974 Bellflower High School Modern Dance Show. Under the direction of Mrs. Susan Ondo and Student Directors Luann Furusho and Bonita Kato, audiences enjoyed solos, group dances and intense jazz numbers involving the entire cast. Rich Farquhar was student light technician.

To everything there is a season
and a time to every purpose under
heaven:
A time to be born, and a time to die
A time to plant, and a time to pluck
up that which has been planted
A time to kill, and a time to heal;
A time to break down, and a time to
build up;
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to cast away stones, and a time
to gather stones together;
A time to embrace, and a time to re-
frain from embracing;
A time to get, and a time to lose;
A time to keep, and a time to cast
away;
A time to rend, and a time to sew,
A time to keep silence, and a time to
speak;
A time to love, and a time to hate;
A time of war, and a time of peace.

In Recognition for Excellence in the Field of Fine Arts

Bob Jenkins has developed, in the last four years at BHS, into a very competent and creative art student. He has been involved in several activities including displaying his art at the All-Hiag School Art Show at Cerritos College and this year won an award for one of his drawings in the show. He intends to be a commercial artist or architect.

Rich Ballou's talents as poet and creative writer could not have passed unrecognized. Although only a junior this year at BHS, Rich has impressed many with his imaginative yet realistic characters and witty poems. Looking to the future, Rich plans to attend UC Santa Barbara to study history.

Dennis Simmons' abilities and dedication to the BHS Band can easily be recognized when noting his lengthy list of accomplishments: Band president (73-74), Band vice-president (72-73), Senior Drum Major (73-74), Jazz-rock Ensemble (70-74), Concert Band (70-74), Marching Band (70-74), Pep Band (70-74). He plans to major in economics come September and minor in music.

Jared Shaver (with the gold inlays) was a transfer student from Idaho and was a major contributor to the Choir, Ensemble and the Theater Dept. Jared's distinctive manner and striking personality endeared him to both students and teachers alike and BHS will miss his smile. Shelly Hatch is an accomplished pianist and all around solid musician. Her totally individual style puts her in that "something special" category.

Bellflower High School Athlete Of The Year-1974

MIKE MANDAS

Mike has spent three years in the football program, he lost one year due to an injury. He was a two year offensive and defensive starter. He started offensively as an end for two years and started as a defensive halfback as a junior and linebacker as a senior. Mike was selected to the all San Gabriel Valley League team as a linebacker in his senior year. He was selected to the All Southeast News team as a linebacker.

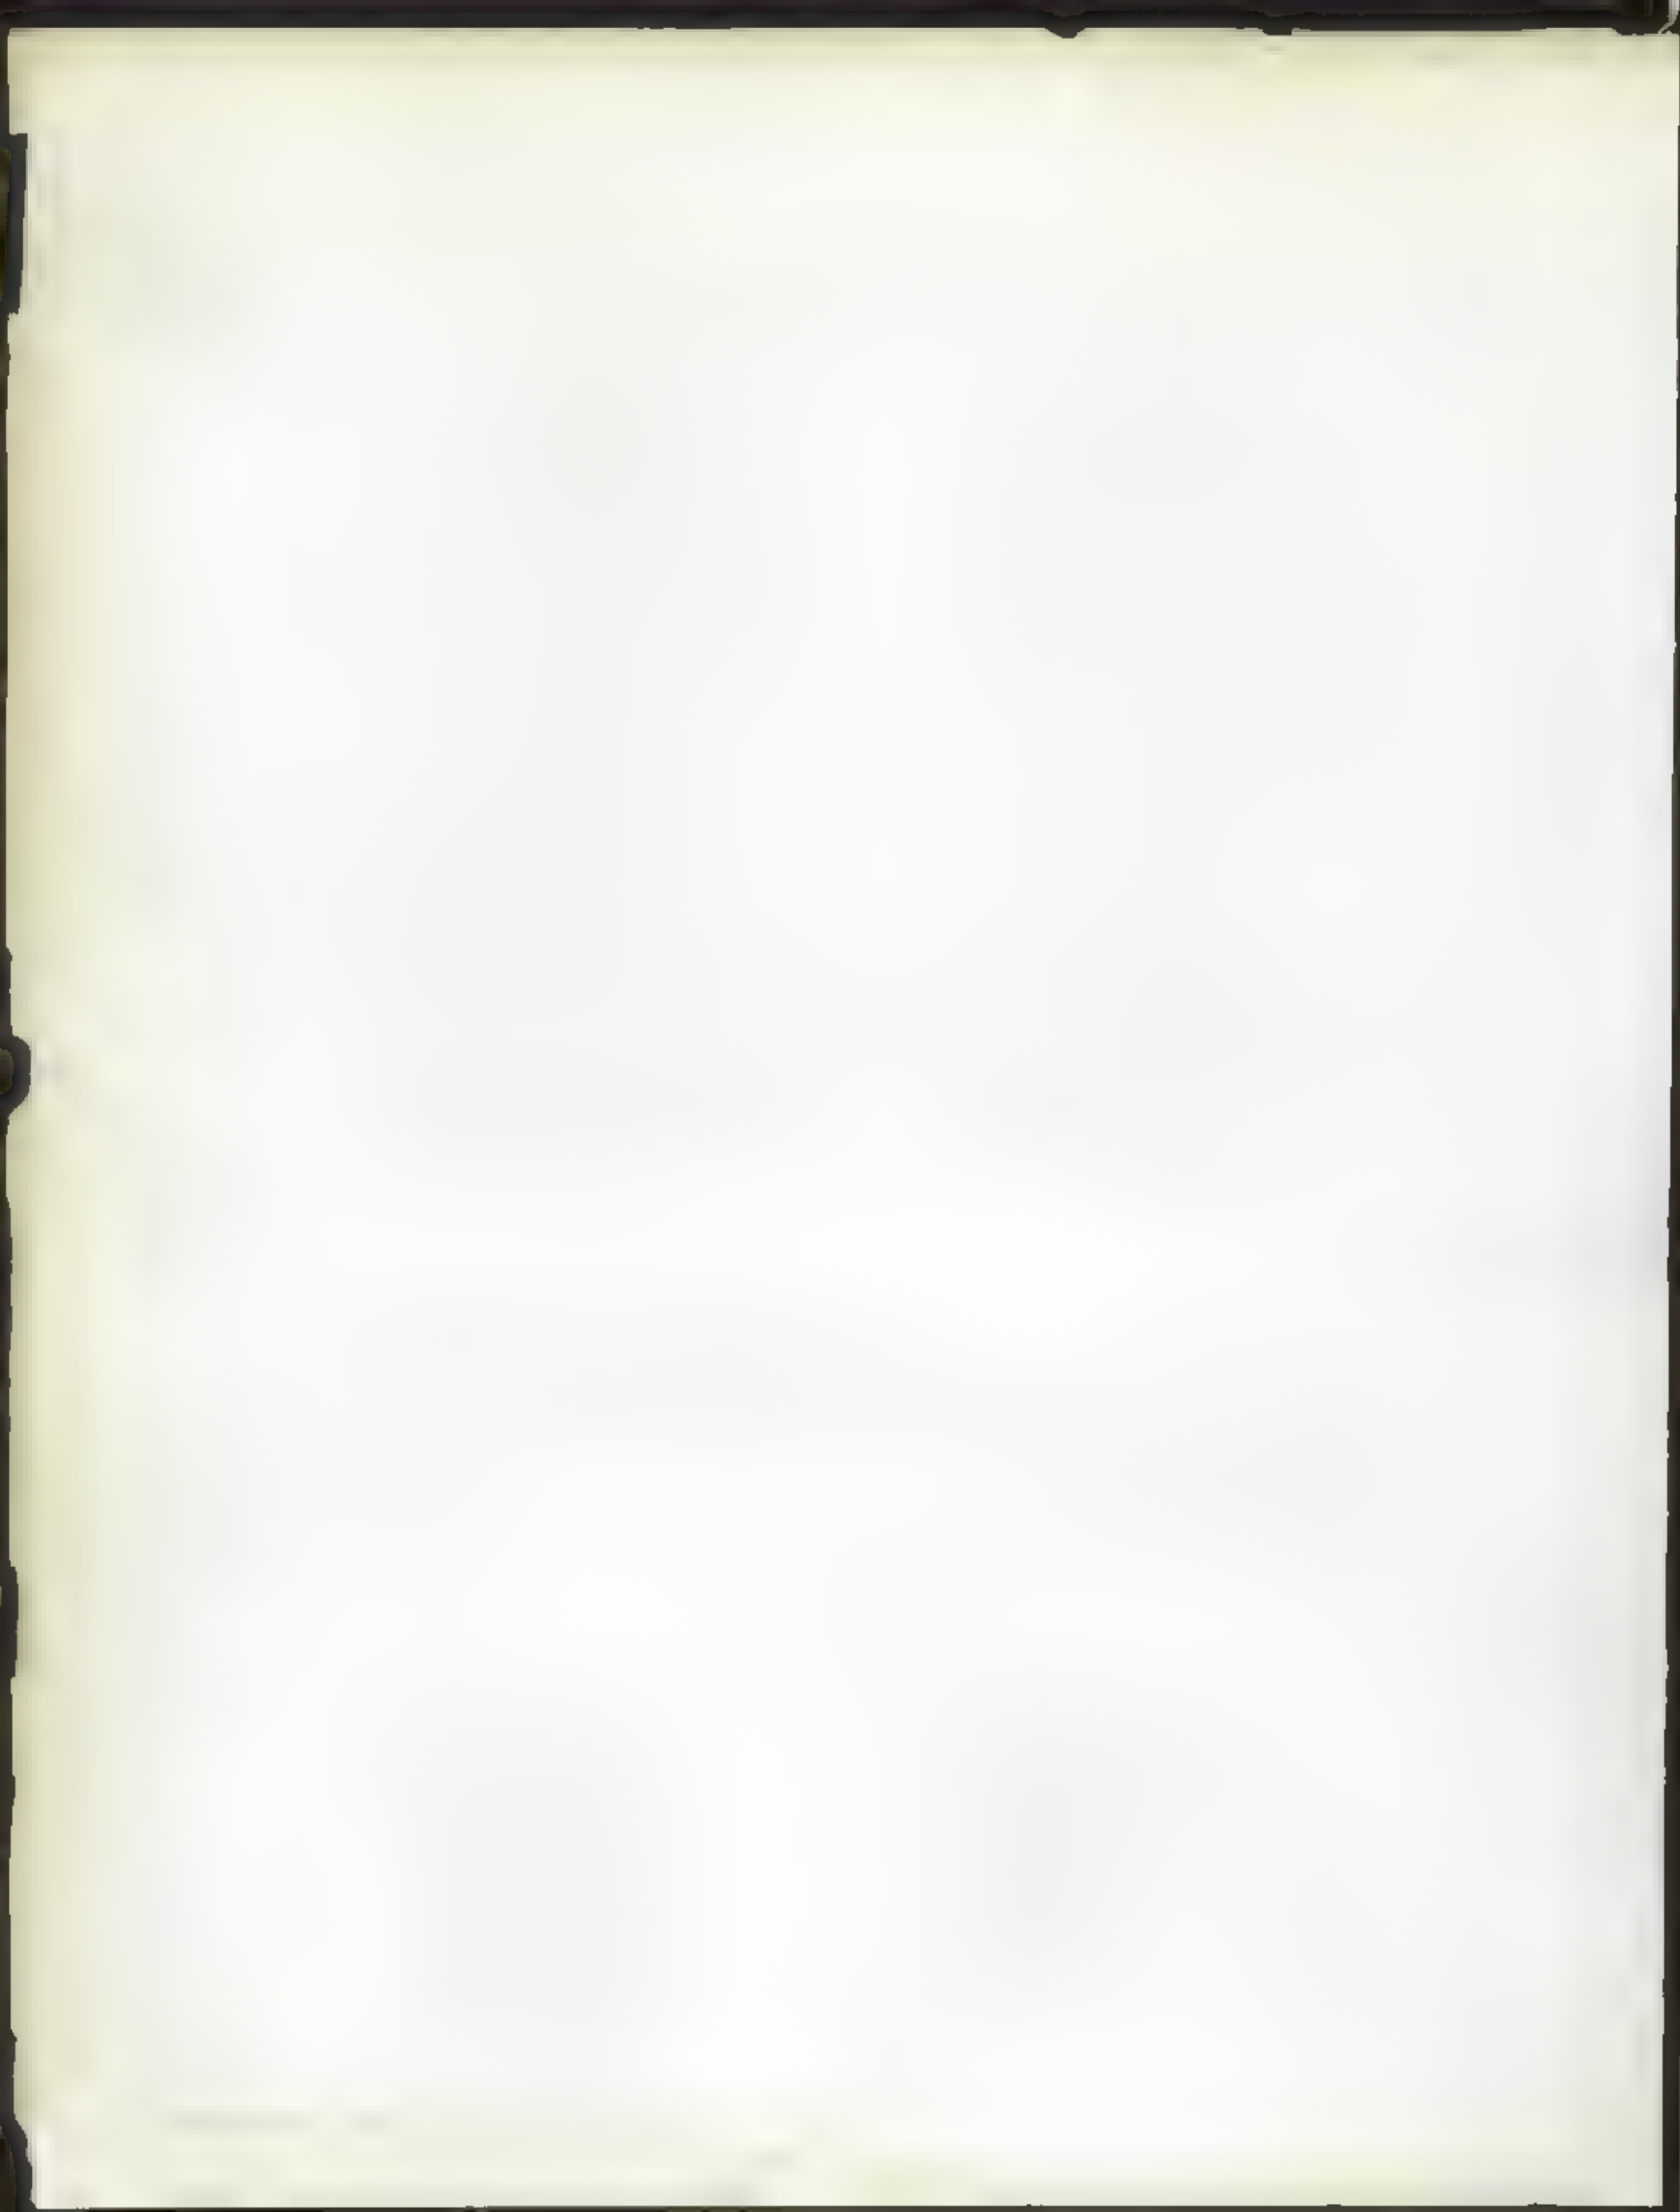

He was voted the Most Valuable Player on the 1973 varsity football team. Mike is the only player in the history of Bellflower High School to make the prestigious "Mad Dog Club" for defensive play, four times in his senior year. No one has ever made the club more than twice in the same year.

He scored a touchdown in his first varsity game - the first scored by the 1972 team and he scored a touchdown in his last varsity game - the last scored by the 1973 team.

In track and field Mike was injured part of the year, but performed admirably, never giving less than his best. He finished the year as the team's number two man in the 100, 220 and shot put in addition to being a member of the team's fastest 440 relay combination.

Mike was elected and served as President of the Bellflower High School Letterman's Club during the 1973-1974 school year.

He was selected as the Bellflower High School Student of the Month for October, 1973.

As co-directors of this year's modern dance show, Bonita Kato and Luann Furusho have been instrumental in organizing a variety of activities in our dance department. They both took part in the Cal State Fullerton Dance Festival and applied many newly learned techniques to our own show. Bonita will be attending UCLA this fall and Luann plans to study nursing.

Diane Abegg has been described not only as an exceptional seamstress, but as an exceptional and gracious person, as well. Her positive attitude is reflected in her knitting, coiling, stitchery, wall hangings, decorative accessories and garments. A junior this year, she'll be doing advanced work in tailoring and custom dressmaking next year. Diane is looking forward to studying merchandizing in the future.

Pat Devine worked on the potter's wheel for nearly two years and has shown exceptional growth in his skill. He has worked hard and long in perfecting his technique and his work has paid off with being able to produce some very beautiful ceramic work. His goal is to major in police science in college but he will always have ceramics as a vocational skill.

Peter Myers was an extremely valuable member of our Theatrical Dept. during his four years here. Besides acting in such productions as "This Little Hand," "Wall to Wall War," "Sandbox," "Up the Down Staircase," and "Caught in the Villians Web," he ran costumes and makeup for "Time Out for Ginger," and starred in "How the Grinch Stole Christmas." He is presently playing in the Cerritos College production of "Guys and Dolls."

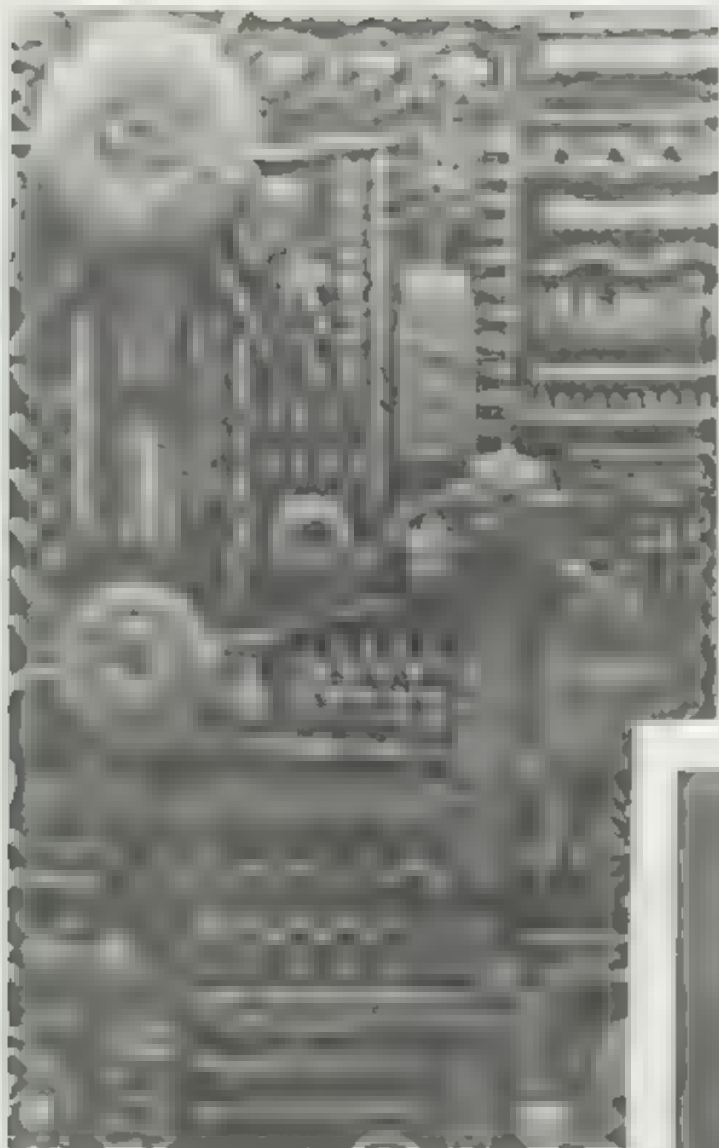

The beach was big, the waves were small
 I stood next to my boyfriend who was very tall
 He likes the waves, he likes the ocean
 So I gave him a sip of my magic potion.
 As soon as he took it a swell came in
 It made me happy just for him.
 He quickly jumped up for he couldn't believe
 his eyes
 Those small waves had doubled in size.
 As he looked at me with a gleam in his eyes
 And started to whisper sad good-byes
 He said "little friend I hope you see,
 The ocean is the only place for me."
 And so he left with his board in his hands
 And I buried the potion in the sand.
 After a few days the swell died,
 And so he came back and stood by my side.
 He said "I've had enough waves for awhile,"
 And we walked down the beach with a smile.

The day I heard all the trees were dead
 I worried about the summer shade
 I tried not to let it go to my head
 The day I heard all the trees were dead
 But I couldn't forget about what he said
 I looked for seeds, went and got my spade,
 The day I heard all the trees were dead
 I worried about the summer shade.

MISS JOAN McCORMICK

The Junior Class officers, led by dynamic Dan Thompson, not only knew where the action was, they were right there creating it. While their sale of See's candy suckers contributed to their treasury, their sale of "Bues All Right" buttons contributed, more importantly, to Bellflower High's school spirit. A hilarious donkey basketball game started off Homecoming week at a fever pitch, and only the rain could dampen the enthusiasm at the Homecoming activities produced. In spite of the rain the Juniors' Mother Hubbard Shoe float was a successful tribute to international friendship. All the officers were involved in planning this year's big event, a spectacular prom.

Sophomore Class

The class of "76" has shown more spirit this year then ever before.

For fund raising activies we had a car wash, sold Helen Grace Candy, and sold spirit of "76" sweatshirts. For Homecoming we furnished the crown, flowers, robe, and the throne.

We received our class rings in May. And also had a booth in the Bellflower High School Carnival.

The portraits show students with various hairstyles and clothing, typical of a mid-20th-century yearbook. The students are of various ethnicities and are posed in a formal, head-and-shoulders style. The grid is organized as follows:
-
- Row 1: 10 portraits of students with long, dark hair, mostly styled in waves or straight down. They are wearing light-colored, possibly white, tops.
-
- Row 2: 10 portraits of students with a variety of hairstyles, including short, wavy hair and longer, straight hair. They are wearing a mix of light and dark tops.
-
- Row 3: 10 portraits of students with long, dark hair, mostly styled in waves or straight down. They are wearing light-colored, possibly white, tops.

A grid of 27 black and white portrait photographs of students, arranged in three rows of nine. The portraits are of young men and women, likely from the mid-20th century, wearing various styles of clothing and hairstyles. The students are posed in a formal manner, typical of school yearbook photos. The background of each photo is a solid, light color. The overall layout is a 3x9 grid.

"Oh thank heaven for '77," is the unofficial motto of the freshman class. Enthusiasm for the Buc way of life came easily to our 9th graders, as evidenced by their taking first place in the PTA drive, and during Homecoming Week taking first in the Bug Stuff, Bug Race, and first for their Homecoming float. Freshman Boosters successfully sold pom-poms, ribbons, and cheered on the Fantastic Freshman football team to victory.

Model United Nations

It has been said that the students of today are the leaders of tomorrow. The best way to teach a subject, politics in particular, is to put the student in the actual situation of authority or prestige. An example would be the Model United Nations (MUN) that the members of the Political Science Club attended at U. C. Riverside. At the MUN, students discuss, debate, and compromise on the same issues that the delegates of the real United Nations encounter. By participation in these mock assemblies, such as the United Nations, the student will be able to understand the problems that may face nations of the world and how to live with them.

Mum, Well here I am signing your annual
trying to figure out what to say. I could say
"I love you" (well for that matter!) but that doesn't
say enough. You've meant so much to me these
past couple of years. I'm going to keep in touch.
Don't worry. Friends like you are just too few.
I wish you the best of all the luck in the world.
Don't trust your counselors. Apply for everything
you can get & don't quit. Keep your faith
in life in all you do. I could fill this page but
my handwriting wouldn't make it. Look up &
Laugh & Love & Lift. Reach out and I'll be
here always. My family will always live in
Bellflower and though I may be in Provo, Utah for
a few years feel at home at my place, wait for
me and I'll come home. My family loves you & so do I.
God Bless always. Love Bryan Jenson

Mickey, I've been practicing guitar with your next door neighbor and you didn't even know it! HA! Good luck anyway (even with your hair cut.) Schizophrenically yers - Gary Kirkwood

Mickey,
Please let's try to
forget the bad things of
the past and try for a
brighter future for all of
your friends.
Chadley

Mickey!
I'm really glad you
are Pres. of "S"
club. I'm sure will
all have lots of fun.
Have fun this summer
& I'll see you next year.
Love,
Pauline

Mickey,
What can I do?
We've been friends for
a long time. I'm so
glad I wrote our
friendship notes thru
the years. Have a
great summer. Love
you Chris!
Goodbye!
Love,
Planned

Mickey
I don't know how
that much to be than
you seem to stay there
Good luck.
Cathy Nelson

Mickey's
it was really
great having you
in class and getting a
little bit of love
you're really a
great person.
Good luck in your life to come

Mickey,

well we've had lots of fun, one of these ol' days
ramblin man will learn (cheerokee lives!), and FAYES
Chevy will be soamy white. I'll never forget the
night we caught Randy & Bryan "IN THE ACT"! hady
be good to the rescue, and pray I get to feeling
better. Its all funny now, but it wasn't at the time!
we've had our share of good and bad, paper and Bell
Blud, but in the end it all turned out right? Oh
well alls been half way say and done. I hope we
have more fun nights- that have no after affects,
and stay good friends for a long time.

Kathy & (Otis)
Reynolds

Mickey,
It was very
nice knowing you
this year. See you next
year in Carol. I have
a happy summer, and
say as sweet as you are now.
Bye Love
Always B.

Mickey,
This has been a
really great year. It seems
every year we know each
other, we become better friends.
Sociology was fun, and I hope
I have you in more classes
next year. The best of luck
in everything you strive for,
and have a fun summer!
See you next year,
Stew Spence
